Meetings are held on the second Wednesday of the month, except July and August, at St. John's Church Hall, 486 Jubilee Street, Duncan.

The business part of the meeting starts at 7:30 p.m. but most people arrive early to shop at the plant table, buy raffle tickets, borrow library books and socialise.

Each month there is a guest speaker (suggestions welcome), often with slides. At the December meeting, members show slides and there is a Christmas gift exchange. The best tea table on Vancouver Island accompanies the social time after the formal part of the meeting.

Judges are chosen from the members present, and remember – you learn by doing.

The **Club Library** is excellent and improving every month as our librarian invests in books to educate and tempt every gardener. Members may borrow books for one month. There is a late charge of \$1.00 per month.

At the **Plant Table**, you can find plants at a good price. They are brought by members and proceeds go to the Club to be used on such things as bus tours.

At the **Raffle Table**, you can buy tickets for a very reasonable price. There is always a valuable prize to be won.

The Club arranges **Tours** to members' gardens and to interesting gardens in other areas.

The Convenor, Committee and helpers for the Flower Division of the *Cowichan Exhibition* in September, are volunteers from the Club and many members enter classes.
